Serbian Neurocardiological Society, SNCS
Serbian Autonomic Society - SAS

Under auspices:

International Society for Holter and
noninvasive electrocardiology, ISHNE

Dear colleagues,

It is our great pleasure to invite you to the Joint meeting of the 6th International Symposium on Neurocardiology, (Neurocard 2014) and the 5th International Symposium on Noninvasive Electrocardiology. The meeting will be held in Belgrade on October 16th - 17th 2014 and organized by Serbian Neurocardiological Society and Serbian Autonomic Society, and auspices of International Society for Holter and Noninvasive Electrocardiology (ISHNE). The previous NEUROCARD meetings and Joint Meeting on Noninvasive Electrocardiology, included participation of scientists from whole world, Europe and region and organized under the auspices of several international organizations. In order to improve scientific collaboration between experts from similar disciplines we decided to organise joint meeting of Neurocard 2014 and Symposium on Noninvasive Electrocardiology with hope that this formula will be successful.

We hope that NEUROCARD will become a good platform for international scientific cooperation as well as good opportunity to develop friendship in the nice environment and pleasant atmosphere.

The progression of heart disease is associated with changes in the neurohumoral mechanisms that control cardiac function.

Neurocardiology deals with the degree to which this neurohumoral remodeling occurs, even before overt signs of cardiac disease become manifest. With our cumulative understanding of these interdependent processes, new avenues for time-appropriate, targeted methods of treating heart diseases can be developed.

The Symposium will bring together medical researchers and specialists focused on the autonomic cardiovascular regulation in different fields such as cardiology, neurology, physiology, molecular biology, genetic, pharmacology, nephrology, endocrinology, psychology, engineering, nano medicine and other disciplines.

The purpose of the meeting is to endorse research in neurocardiology and related fields, especially noninvasive electrocardiology to improve prognosis and the outcome of cardiovascular disease and facilitate the dissemination of the state-of-the art.

Outstanding experts, members of the Scientific Advisory Board will assure scientific excellence.

On behalf of the Organizing Committee,

Looking forward to welcoming you,

Branislav Milovanovic,

Professor of Internal Medicine and Cardiology

Chairman of the meeting

President of Serbian Neurocardiological Society

LOCAL ORGANIZING COMMITTEE

MEMBERS OF THE BOARD

Dragana Bajic

Bojko Bjelakovic

Dragan Djuric

Nina Japundzic-Zigon

Mirjana Krotin

Slavica Radovanovic

Vesna Bisenic

Sinisa Dimkovic

Anita Milovanovic

Sanja Pavlovic

Biljana Pencic Popovic

Gordana Pekovic Perunicic

Zorica Rasic Milutinovic

Ljudmila Stojanovich

TOPICS

Basic Neurocardiology

Electrocardiology and Telemedicine

Syncope, Orthostatic intolerance

Genetic aspects in Neurocardiology

Biosignal processing

Myocardial dysfunction: cardiac-neural interactions

Cardiac sudden death: risk stratification

Cardiac arrhythmias and autonomic nervous system

Metabolic autonomic neuropathies

Oncocardiology

Autoimmune diseases: neuro-cardiological manifestations

Central mechanisms and heart

Blood pressure and neural mechanisms

Cardiac autonomic dysfunction and neurological diseases

Psychology and autonomic nervous system

Personalized medicine

Nano technology: new approach in medicine

Transcranial magnet stimulation

Sleep apnea

Nutrition, physical activity and brain- heart connection

GENERAL INFORMATION

Date & Venue: Bulevar Kralja Aleksandra 69 e-mail: reservations@metropolpalace.com
October 16th - 17th 2014 11 000 Belgrade, Serbia www.metropolpalace.com
Hotel Metropol Palace Tel: + 381 11 3231 212

REGISTRATION AND ABSTRACT SUBMISSION

REGISTRATION FEE

EARLY (before July 15th) 100 €
LATE (after July 15th) 150 €
RESIDENTS 80 €
DAILY 60 €

Registration fee includes: participation in scientific program, visit to exhibition area, Symposium material, coffee breaks, lunches and welcome reception.

Abstracts can be sent in a **short form of an abstract** (**maximum 300 words**) or in **extenso form of an article** (**maximum two pages**).
Abstracts could be sent to following e-mail address:

Authors should indicate their presentation preference:

- o Oral
- o Poster

IMPORTANT DATES

Deadline for registration: October 1st 2014
Deadline for abstract submission: August 15th 2014

ACCOMMODATION

Symposium secretariat has obtained special, reduced prices for Symposium participants in hotels:

Metropol Palace 5* - single room from 140 € and double room from 160 €
Helvetia Swiss Private Hotel 4* - single room from 70 € and double room from 90 €
Hotel Park 3* - single room from 60 € and double room from 80 €
Apartments for 2 to 6 persons - from 40 €

For all information regarding registration, abstract submission, payment instructions, registration form and accommodation please contact management coordinator of the "Liberty International Serbia incentives & congresses" at neurocard2014@liberty-serbia.com
